Maybe you don't think of Oro-Medonte when you're thinking of a romantic getaway... yet!

Hopefully this will change your mind.

Walking trails, fine dining, pottery classes (think "Ghost"), wine tours/tastings, spas, bed and breakfasts, live music, beaches... whether you plan for an overnight, a weekend, or longer, Oro-Medonte has TONS to offer. Remember to reserve your experiences in advance!

Book yourself and your significant other into a beautiful Bed and Breakfast, a classic room at Horseshoe Resort, or sleep under the stars in an upscale, luxurious and romantic YURT at Glen Oro Farm.

Did you know that Oro-Medonte is home to our very own, authentic, Finnish-inspired spa? Schedule an arrival time at Vetta Nordic Spa and enjoy a top-notch experience of relaxation, rejuvenation and togetherness. All you need are bathing suits and flip flops!

After your fabulous day at the spa, head out for dinner at Quayle's Brewery and enjoy great food AND live music on Thursdays, Fridays and Sundays. For additional fun, if attending in summer/fall, book a Hops Tour and learn about how the beer is made. Check out other restaurants on Google Maps.

Remember that iconic, romantic movie moment between Patrick Swayze and Demi Moore? Learn a new skill together and check out Brierley Pottery for a lesson at the ceramic wheel. Reserve by calling (705) 718-5504. Hoping to stay outdoors? Book a guided, majestic horseback trail ride at Glen Oro Farm.

Drink some locally made wines and ciders at Heritage Estate Winery and Cidery, walk hand and hand along our beautifully maintained trails, check out our picturesque waterfront from locations such as Hawkestone Dock, Carthew Bay and our various beach areas. Relax and get to know each other all over again, surrounded by the majestic, undulating, treed beauty of Oro-Medonte.
